

Skiing trip to Les Deux Alpes, France

Worth students had a great time on the December 2017 ski trip to Les Deux Alpes in France.

Thirty-three pupils from Years 8 to 13 departed after the Autumn Term finished and spent a week honing their ski skills, helped by Mr Taylor, Mr Mitchell, Mr Richman and Mrs Dempster.

An enthusiastic group enjoyed the trip immensely and there was a huge improvement in the standard of skiing and snowboarding from all those who took part.

Over the last few years, Worth has run a number of December ski trips, to European and North American destinations.
