Scholarship Notes

Year 7 Art Scholarship

Pupils must bring a portfolio of eight or more pieces using at least two of the media listed, e.g. drawing, painting, printmaking, collage, photography and ceramics/3D. Any ceramics or 3D must be photographed from different angles and presented in the portfolio. Please do not bring the actual ceramic or 3D work.

Please complete the following project prior to assessment:

Choose three different objects. One made of glass, a natural form such as shell, pod, fruit and a soft object e.g. piece of cloth, a feather etc. Place them together into an interesting arrangement.

Produce a carefully observed pencil drawing of the objects you have grouped together onto an A3 sheet of paper using line and tone. Make sure your composition fills the page.

Take three photographs of your arrangement and mount them on to a sheet of paper to submit with your drawing. Please add this work to your portfolio. Portfolios in the Friday prior to the assessment.

Pupils will also be given an observed drawing test for an hour and they will have a chat with the Head of Art about their portfolio work.

Good luck to all potential scholars. We look forward to meeting you and seeing your work.

Creative Wishes,

You will also need to put together a 2 minute monologue. This should have been learnt by heart and rehearsed ready for performance. This will be performed in front of the Head of Drama on the day and then a short interview with the Head of Drama will commence afterwards. You need to ensure that you choose something which challenges you and that showcases your talent and ability range. Please also provide a typed copy of the monologue on the day.

The scholarship application form will ask you to provide a referee. This could be a teacher, tutor, housemistress/master or LAMDA teacher. The reference should be relevant to the type of scholarship you are applying for.
