

Ski trip to Austria, December 2018

Worth students in Years 11 to 13 enjoyed an excellent ski trip to Austria in the week before Christmas 2018.

They went to the Amade region, which is 60km from Salzburg. As well as skiing, the group visited the Christmas market in Salzburg, went Austrian bowling in a traditional Keglebahn, had a pool competition and sang karaoke.

This was the first of two ski trips to Austria during the 2018-19 academic year, the second being at the end of the Lent Term.
